October 5, 2015

Dear valued customer:

I am pleased to inform you that we have changed the name of our company from Sunnyvale Windustrial to **Winsupply of Silicon Valley** and moved to a new location.

Our new address is **2900 Mead Avenue, Santa Clara, CA 95051**

The new name, Winsupply of Silicon Valley better describes what we are: a supply house for large-scale pipe, valves, fittings, instrumentation and plumbing materials for Manufacturers, OEM's, Plumbing Contractors, Mechanical Contractors, Facility Maintenance Engineers and Entrepreneurs of the Bay Area.

Our goal remains the same as always – to provide exceptional products and personalized service you can trust, when and where you need them every time. We are here to help you, be easy to do business with, and to form a genuine partnership with you. Let us put our experience and knowledge to work solving any problem you may have and helping to grow your business.

I would like to mention that Winsupply of Silicon Valley is associated with **Winsupply Inc.**, one of the largest wholesale distributors in the nation, and the **2015 Supply House of the Year** as chosen by Supply House Times magazine. For you our customers, this means we have the strength of a national buying and distribution network, and you have local decision making to respond quickly to your job requirements.

Please stop by our new location at any time.

Thank you for your past support. We appreciate your continued business.

Sincerely,

A handwritten signature in black ink that reads "Jim Dalton".

Jim Dalton

President

Winsupply of Silicon Valley
